

# **Pre-Course in Communication Engineering**

Parma, 18-29 September, 2017

## **Monday, 18 September, Room A/2**

09:00-11:00, Welcome Lecture

11:00-13:00, A. Bononi, Probability Theory

## **Tuesday, 19 September, Room A/2**

09:00-11:00, A. Bononi, Probability Theory

11:00-13:00, G. Ferrari, Introduction to Communication Engineering

## **Wednesday, 20 September, Room A/2**

09:00-11:00, A. Bononi, Probability Theory

11:00-13:00, F. Poli, Electromagnetic waves

## **Thursday, 21 September, Room A/2**

09:00-13:00, A. Bononi, Probability Theory

## **Friday, 22 September, Room A/2**

09:00-11:00, A. Bononi, Probability Theory

11:00-13:00, G. Colavolpe, Stochastic Processes

## **Monday, 25 September, Room A/2**

09:30-11:30, P. Serena, Mathematical Methods for Engineers

## **Tuesday, 26 September, Room A/2**

08:30-10:30, A. Vannucci, Fourier Transform

## **Wednesday, 27 September, Room M**

10:30-12:30, A. Vannucci, Fourier Transform

## **Thursday, 28 September, Room 3**

08:30-10:30, P. Serena, Digital Communications

## **Friday, 29 September, Room 5**

10:30-12:30, P. Serena, Digital Communications
